What is WICS?

Like 148 people like this. Sign Up to see what your friends like.

Women in Computer Science (WICS) is a student group affiliated with the University of Oregon Department of Computer & Information Science. The purpose of WICS is to provide UO CIS women with benefits that contribute to their success. WICS is also interested in increasing the number of women in the field of Computer Science as a whole. In the past, WICS has provided scholarships, K-12 outreach, tutoring, mentoring, a monthly lunch series, a lecture series, and educational/career workshops.

Goals

- Contribute to the success of UO women in CS
- Increase participation of women in CS

Resource Spotlight

Silicon Shire

Concentric Sky (Eugene) recently launched Silicon Shire, a free interactive map and directory of tech companies in the Eugene/Springfield area. Needless to say, this is great resource if you're looking for a local job or internship. The site includes links to hiring pages.

Health & Safety

SAFE RIDE 346-RIDE ext. 2

Fall/Winter Hours	Spring Hours	Summer Hours
Sun-Thu: 6pm-12am	Sun-Thu: 7pm-12am	Sun-Thu: 9pm-12am
Fri-Sat: 6pm-2am	Fri-Sat: 7pm-2am	Fri-Sat: 9pm-2am

- Planned Parenthood
There are multiple locations in the Eugene/Springfield area.

- Sexual Assault Support Services (SASS)

- UO Health Center

- UO Women's Center
The mission of the ASUO Women's Center is to advocate for the best educational and working environment for the women at the University of Oregon. We accomplish this by working toward societal change and the end of oppression and by supporting personal growth.

- Womenspace
We believe that each person has the right to lead a life free from violence and fear of abuse. All people have the desire and capacity to control their lives. We help people who are in difficult and abusive situations, empowering adults and children who are victims of domestic violence.

Career

- **Local Technology Companies and Branches**
